“The Spirit of Us”

I believe in the process. I believe in four seasons. I believe that winter's tough, but spring's coming. I believe that there's a growing season. I realize that in life we grow and hopefully we improve. I encourage all of us to look forward to the coming season of spring and new growth.

I'm so excited to share AmBank Companies' newest product, The Postage, with you, my Spirit Club members. Postage is a digital estate and legacy planning platform that collects critical information and digital assets in one place. I believe it will give you peace of mind when navigating some of the difficult conversations with your family members. Please join my team as we explain this amazing program at one of the meetings planned. See list of seminars in this publication and RSVP by phone or email.

Check out the exciting Spirit Club tours for this year in this publication. A few of the trips are full already but remember to let us know if you would like to be put on the waiting list. We often have cancelations. If your name is on the waitlist, you may receive a call to see if you want to fill the spot.

Saint Patrick's Day will be celebrated on March 17. I'm going to sign off with a Saint Patrick's Blessing. Have a great month!

*May the best day of your past
be the worst day of your future.*
