"The Spirit of Us"

February is here ushering in a season of heartfelt connections and thoughtful energy that encourages us to cherish every moment of our lives. It's a time for honoring our past on Presidents Day, celebrating love in all forms and embracing the power of kindness and justice. Here's to making the most of February.

Our office will be closed on Monday, February 17, in observance of President's Day. Our ATM machines and online banking services will be available for your convenience.

Travel is about experiences and group travel is a great way to explore the world with others, especially if you are traveling solo. You get to share those precious moments with others, meet new people and see things from perhaps a different perspective. It also can be a cost-effective way to enjoy an adventure. The Spirit Club offers a variety of tours; one day, overnight and extended tours. Let us do the planning and the driving for you. Please look at the tours planned for this year in this publication. Please call for availability. Some tours are full already and others are filling up quickly so don't wait too long to sign up.

Winter weather is definitely here and it's the perfect time of the year to snuggle up with a good book or watch a movie with a cup of hot chocolate or tea. It also might be a nice time to get caught up with organizing your photos from the last year. I have been using some of the cold nights and weekends looking through photos of our 2024 Spirit Club tours. Wow did we make some great memories! Here's to making more great memories in 2025!

*Love & kindness are never wasted,
They always make a difference.*
