

JULY 2025

CHANHASSEN TOUR

Earlier this spring the Spirit Club traveled to Minnesota to attend "Grease the Musical" at the Chanhassen Dinner Theatre. On our way to Minneapolis, we toured the quaint town of Jordan Minnesota. First, we had a tasty lunch at The Feed Mill a fun mom & pop restaurant near the Sand Creek. After our lunch we toured the city of Jordan where we learned about the history of flouring mills, breweries, a stone quarry, harness shop and numerous other businesses. Today the city is flourishing with growth of the metropolitan area and has many cultural and economic centers. Before leaving Jordan for our hotel in Chanhassen we had an ice cream treat at the City Hall Creamery & Coffee shop.

The Chanhassen always has a great atmosphere, delicious food and amazing casts. "Grease" was amazing, and it brought us back to the nostalgia of high school in the 50's where the dress was super cool, and the music was groovy.

The next morning, we went to the Como Zoo and Conservatory. It was a beautiful day to see the animals and it's always a treat in the spring to see the beautiful plants and greenery after the long cold winter. On our way home, we ate lunch at Neisen's Riverside Sports Bar in Saint Peter. Our tour was a lot of fun and a welcome adventure for us.

"The Spirit of Us"

July is here marking the height of summer and bringing a spirit of celebration that makes us want to soak in every sunlit moment. It's a month when we celebrate the Fourth of July, a special day for Americans. It marks the day when our founding fathers declared their independence from Britain. As the fireworks fill the sky may we appreciate those who fought for our freedoms and celebrate with family and friends.

Thank you to everyone who attended the American Spirit Club Dinner on June 10 at the Terrace View Event Center. This is a special night for us at American State Bank, because we get to celebrate our American Spirit Club members. Many of you have been friends & customers for many years. We appreciate you very much. Seas the Day! I love a play on words and with the nautical theme for our dinner I have messed with the English language a little. I just think we need to be encouraged to seize adventures each day. Even if it's just taking a break outside in the beauty of nature, going for coffee with a friend, or taking a drive, try to make each day amazing

The Spirit Club has had some awesome adventures the first half of the year and we are looking forward to many more in 2025 and some already planned for 2026. Group travel is a great way to travel because we plan interesting itineraries, make reservations for delicious meals and do the driving for you. A bonus is you get to meet new people and get reacquainted with friends you met before on our tours. Take the time to check out the new Christmas day trip and all the other upcoming adventures. We have a few spots available for New York City, Hawaii & the Danube River Cruise. Contact me with any questions.
